The SOP was transmitted the second time for comments approx. three weeks ago.

Noted that we will have to add NARCAN procedures to our SOP's. This is process where the officers can inject a drug to help overdose of heroin.

Was mentioned that the board of commissioners have not authorized the positions of Corporal. They wish to review the DCEB report.

Gregg was looking at 2017 meetings. AARP want all Monday's to do tax returns. Decided not to change our schedule. We will hold meeting elsewhere like the firehouse.

Gregg will have some printed copies made for members. Members will pick them up from Dee.

Next meeting is May 2, 2016 at 9:00 AM.

At this time, we moved to executive session 9:25 AM. Motion by Rolland/ Don. Approved

Respectively Yours,
